

Dear Members of IGIP,
9th 2011

IGIP Newsletter 3 / March

The time is running and we are all looking forward to our great event starting in 3 weeks.

It is a pleasure to invite you to the **40th IGIP International Symposium on Engineering Education** that will be held on **March 27 - 30, 2011**, at São Vicente at the Metropolitan region of Baixada Santista, Brazil. The theme of the Congress is **"Forming International Engineers for the Information Society"**. The host institution is Santa Cecilia University. For more information visit the conference Website at <http://www.copec.org.br/igip2011/>

I want to invite all members of IGIP to attend the **General Assembly 2011**, which takes place at the **IGIP 2011 Conference** in **Santos/Brazil** on **Tuesday March 29th**, starting at 5pm.

Agenda of the General Assembly of IGIP 2011

Welcome and Approval of the Agenda
Approval of the Minutes of the General Assembly Trnava, September 21, 2010
Report of the President
Report of the President of the Monitoring Committee
Reports of the members of the Executive Committee
Report of the Secretary General
Election of the members of the IGIP Scientific Board
Approval of the new IMC
Report of the Treasurer
Report of the Cash Auditors
Submitted Applications
IGIP Conferences
Miscellaneous

Any proposals shall be submitted to the Executive Committee ten days before the General Assembly at the latest.

3. Furthermore IGIP is involved in some coming international conferences:

1. Special Track "New Pedagogic Challenges in Engineering Education" during IEEE EDUCON2011, 04-06 April 2011 in Amman, Jordan.

<http://www.educon-conference.org/educon2011/>

Track Chair: Teresa Restivo, University of Porto, Portugal (trestivo@fe.up.pt)

17 very interesting presentations were accepted for the special track, which includes for example:

- Interdisciplinary Approach in Engineering Education,
- Research Skills Enhancement in Future Mechanical Engineers,
- Learning Styles in Foreign Language Teaching/Learning,
- On Modeling Adaptive Web-based Instructional Systems,
- Experimental, Numerical and Virtual Tools in Civil Engineering,
- Maxima – An Open Alternative for Engineering Education,
- K-12, university students and Robots: an early start and more.
Please consider to take part in the conference.

Participant Registration via: <https://www.conftool.com/educon/>.

2. Special Track "Pedagogic Challenges in Using Online Laboratories" during REV2011, 28 June-01 July 2011 in Brasov, Romania. <http://fizica.unitbv.ro/rev2011/>

Track Chair: Sorin Zaharia, University POLITEHNICA of Bucharest (sorin.zaharia@gmail.com)

Submission deadline: 01 March 2011

Online submissions via: <https://www.conftool.com/rev-conference/>

Call for Papers attached.

3. IGIP Regional Conference in conjunction with ICL2011, 21-23 September 2011 in Piešťany, Slovakia.

Responsible organizer: Roman Hrmo (roman.hrmo@stuba.sk)

More detailed information will follow soon.

4. IGIP supports the International Conference "THE STRATEGY OF ENGINEERING EDUCATION IN THE REFLECTION OF THE CONTEMPORARY ERA",

01-03 June 2011 in Ústí nad Labem, Czech Republic. <http://stvrden.fvtm.ujep.cz>

More information from: Martin Bilek (Martin.Bilek@uhk.cz)

5. Call for papers related to the SEFI Annual Conference 2011 to be held in Lisbon on 27-30 September, in the context of the First International Engineering Education Flash Week. Please also visit www.wee2011.com for further information. IGIP plans a special session regarding Engineering Pedagogy. Please give me feedback (office@igip.org) if you are interested to submit a paper. As members of a supporting association you will get a discount on the conference fee.

6. International conference and workshop on "Research & Education in Mechatronics REM 2011" to be held in Kocaeli, Turkey from September 15th to 16th, 2011. <http://rem2011.kocaeli.edu.tr>

Best Regards

Ing. Dipl.Päd. Herbert KLEBER MEng.

IGIP Secretary General
